

USLS-15 BATCH 2003

# The Golden Batch Silver Homecoming

Strategic Plan 2026–2028 · Committee Meeting Presentation

## Our Unique Legacy

We are the Golden Batch — we graduated in 2003 during the school's 50th anniversary (Golden Year). In December 2028, as we celebrate our 25th reunion (Silver Homecoming), the school celebrates its 75th anniversary (Platinum Year). This isn't just our reunion — it's a legacy moment we're uniquely positioned to honor.

# What We're Actually Responsible For

As Silver Jubilarians (25-year batch), we don't just plan our own reunion — we HOST the entire school's 2028 Alumni Homecoming. Here's what that means:

## Host General Alumni Homecoming

FREE event for all USLS alumni (not just our batch). Expected 250–300 attendees from multiple graduating years. Held on school grounds on December 16, 2028.

**250–300** people

## Our Batch Silver Jubilee

Our own Batch 2003 celebration (Thanksgiving Mass, campus tour, reunion party, teacher tributes). 357 yearbook members, but only ~200 actual graduates.

**~200** graduates

## Give Back to School

Tradition for all jubilarians: establish a scholarship, donate a facility, or fund a community project — especially meaningful given the school's 75th Platinum Year.

**75th** year legacy

### Golf Tournament (Traditional)

Per Alumni Office: Silver Jubilarians typically sponsor the One La Salle Golf Tournament (Nov 2028). Requires ₱500–600K to cover welcome dinner, awarding night, prizes.

**₱500–600K** sponsorship

## The Math That Matters

**Only ~200 graduates  
contribute**

Out of 357 yearbook members, only ~200 actually graduated and are expected to fund the event.

**But 250–300 people attend**

Our budget funds food/experience for all alumni from ANY year who show up to the general homecoming, plus families, teachers, and guests.

**80–100 payers needed**

**₱1.7M total budget**

Realistically, not all 200 will contribute. We're targeting 80-100 committed payers (40-50% contribution rate) at various tiers.

This must cover: homecoming for 250-300, our batch events, giving back, and possibly golf tournament sponsorship.

# What Other Silver Jubilarians Actually Did

Data from USLS Center for Alumni Relations archives (2022–2025). Our peer group — the batches who did exactly what we're about to do, including IS Batch 2000 who celebrated their Silver Jubilee in December 2025.

## High School Class of 1997

Silver Jubilee 2022

- ✓ HOSTED the General Alumni Homecoming (Dec 27, 2022)
- ✓ Thanksgiving Mass for all alumni
- ✓ Alumni Homecoming at Miguel Hall
- ✓ Recognition ceremony
- ✓ Multiple batches attended (school-wide event)

✓ As Silver Jubilarians, they hosted the ENTIRE school's homecoming

## High School Class of 1998

Silver Jubilee 2023

- ✓ HOSTED the General Alumni Homecoming (Dec 16, 2023)
- ✓ Thanksgiving Mass
- ✓ Recognition ceremony
- ✓ Variety show honoring former teachers
- ✓ Fellowship dinner
- ✓ ALSO organized Golf Tournament (Nov 18–19, 2023)

✓ Did BOTH: hosted general homecoming AND organized major golf tournament fundraiser

## High School Batch 2000

Silver Jubilee 2025

- ✓ Organized USLS-IS Lasallian Run (Fun Run) (Feb 9, 2025)
- ✓ Brought together students, alumni, parents, and Lasallian community
- ✓ Celebration of health, camaraderie, and Lasallian spirit
- ✓ CARE & USLSAA provided full support
- ✓ Successful fundraising event with broad community participation

✓ OUR DIRECT PEERS: IS Batch doing their 25th Silver Jubilee most recently (Feb 2025) — they did a FUN RUN as a fundraising event

## The Silver Jubilarian Pattern

### 1. Host General Homecoming

December event, FREE for all alumni, 250-300 attendees, school-wide celebration

### 2. Our Batch Events

Mass, campus tour, reunion party, teacher tributes — our own celebration alongside the general event

### 3. Golf Tournament (Optional)

HS 1998 did it, HS 1997 didn't mention it. It's traditional but not mandatory.

### 4. Give Back

Scholarships (most common),  
physical donations (classrooms), or  
community service projects

### PART 3: THE MONEY

**? DECIDE TODAY**

Giving Back Scholarship/Donation?

**? DECIDE TODAY**

Teacher Tribute Dinner (separate from homecoming)?

**? DECIDE TODAY**

#### PART 4: THE HYBRID FUNDING MODEL

## How We Reach ₱1.7M by December 2028

Two revenue streams working together: graduate contributions + smaller fundraising events building toward the golf tournament sponsorship.

1

### Graduate Contributions (Primary)

Tiered contribution model: Platinum (₱25K), Gold (₱15K), Silver (₱10K), Monthly Plan (₱400–500/mo). Monthly installments available (₱700/mo × 35 months for Platinum tier).

Target: 80–100 contributors = ₱1.2M – ₱1.5M

2

### Fundraising Events (Supplemental)

**USLS–IS Lasallian Run (Q4 2027 or early 2028)** — Following IS Batch 2000's successful model (Feb 2025). Engages students, alumni, parents, and Lasallian community. Creates momentum leading into homecoming. Additional smaller events in 2026–2027: Movie Night, Mini-Golf, or Bazaar.

Lasallian Run: ₱75–100K | Total Target: ₱150K – ₱250K

3

## Golf Tournament Sponsorship (Capstone)

November 2028 – Use accumulated funds to SPONSOR the One La Salle Golf Tournament (₱500–600K for welcome dinner, awarding night, prizes). High visibility for school's 75th year.

Funded by: Contributions + Events

## Why This Hybrid Model Works

### **Contributions are the foundation**

₱206K already collected in 1 month.  
At this pace, contributions alone could hit ₱1.2M+

### **Events build momentum**

Keep batch engaged, create FOMO for non-payers, generate media/social buzz

### **Golf tournament is funded**

Don't need NEW fundraising for golf — use accumulated funds to sponsor it

### **Multiple touchpoints**

Different ways to participate: can't give ₱25K? Attend fun run. Can't run? Donate ₱5K.

## PART 5: THE ROADMAP

# Critical Decisions for TODAY's Meeting

These cannot be deferred. We need committee consensus to move forward.

## 1. What is our funding approach?

☐ **Option A: Contribution-Only** — Platinum/Gold/Silver/Monthly Plan tiers, 80–100 payers, no fundraising events (or just 1 optional Lasallian Run)

☐ **Option B: Hybrid Model (RECOMMENDED)** — Platinum/Gold/Silver/Monthly Plan contributions (₱1.2–1.5M) + USLS-IS Lasallian Run in Q4 2027 (₱75–100K) + 1–2 smaller events (₱50–80K total). Golf tournament sponsorship (₱500–600K) funded FROM accumulated funds.

☐ **Option C: Event-Heavy** — Multiple large fundraisers throughout 2026–2028, lower per-person contribution ask (₱10–15K avg)

## 2. What is our total fundraising target?

- ☐ **₱1.5M Target** — Covers General Alumni Homecoming (Dec 16, 2028) for 250–300 attendees + batch events. No golf tournament sponsorship, no major giving-back project.

- ☐ **₱1.7M Target (RECOMMENDED)** — Covers General Alumni Homecoming + batch events + ₱100K buffer for contingencies/giving-back. Golf tournament sponsorship (₱500–600K) comes FROM this budget if we reach it.

- ☐ **₱2.2M+ Target** — Covers ₱1.7M homecoming budget + separate ₱500–600K for golf tournament sponsorship (not from homecoming funds).

### 3. Is the Golf Tournament sponsorship (₱500–600K) part of our budget or separate?

- ☐ **Part of ₱1.7M:** Golf sponsorship comes from accumulated funds (contributions + events)
- ☐ **Separate/Additional:** Need to raise ₱2.2–2.3M total (₱1.7M homecoming + ₱500–600K golf)
- ☐ **Skip Golf Tournament:** Not sponsoring it, focus only on homecoming

#### 4. What is our giving-back commitment for the school's 75th Platinum Year?

- ☐ **Scholarship:** "USLS-IS Batch 2003 Scholarship" for school's 75th (amount TBD, part of budget or separate)
- ☐ **Physical Donation:** Classroom, facility upgrade, memorial bench, etc.
- ☐ **Community Project:** Support Bahay Pag Asa or other school-affiliated charity
- ☐ **Decide Later:** Wait until we see final budget surplus (if any) in 2028

#### 5. What are our next 3 immediate action items (next 30 days)?

- ☐ Finalize contribution framework messaging & launch to full batch (~357 members)
- ☐ Set up monthly reporting cadence to batch (progress updates, funds tracking)
- ☐ Meet with Alumni Office to confirm December 16, 2028 homecoming logistics

- ☐ Launch thegoldenbatch.com website with registration system (March 2026 target)

- ☐ Set up batch polling system on thegoldenbatch.com for major decisions

## 6. Should we poll registered users of the website on major decisions via thegoldenbatch.com?

- ☐ **Yes – Poll on Everything:** Giving-back project, golf tournament sponsorship, funding approach confirmation, all major decisions

- ☐ **Yes – Selective Polling:** Only poll on giving-back project and other key decisions (not day-to-day operations)

- ☐ **No – Committee Decides:** Committee makes all decisions, batch gets progress updates only
