## Reunion Attendance: What to Expect

CATEGORY	COUNT	% OF TOTAL	NOTES
Total Yearbook Members	357	100%	Everyone in our 2003 yearbook (grads + non-grads)
Actual Graduates	~200	56%	Only graduates expected to contribute ₱25K
Expected Contributors	80-100	40-50%	Realistic participation rate for contributions
Expected Attendees (Our Batch)	120-150	60-75%	Typical turnout for 25-year reunions
Plus Spouses/Partners	+80-120	—	~70% of attendees bring a plus-one
Plus Other Alumni (Other Batches)	+50-80	—	General homecoming is school-wide
TOTAL EVENT ATTENDANCE	250-350+	—	What our ₱1.7M budget must cover

## The Reality Check

Only 40-50% of graduates will contribute financially (80-100 people). But 60-75% will attend (120-150 from our batch). Plus spouses and other alumni batches. Your budget feeds 250-350+ people, funded by 80-100 contributors.
